

# RAHIM SEKKAI

## Network & Systems Technician

Touares 15004 Tizi Ouzou, Algeria | (+213) 06 75 97 11 07 | [rahimsekkai2024@gmail.com](mailto:rahimsekkai2024@gmail.com)

Portfolio : <https://rahim009999.github.io/rahimsekkai/index.html>

### PROFESSIONAL SUMMARY

Motivated Network & Systems Technician with solid experience in IT infrastructure, system administration, and network security. Proven expertise in configuring **Fortinet VPNs**, managing **VLANs**, and administering **Linux/Windows** environments. Demonstrated ability to implement **SIEM solutions (Wazuh)** to enhance cybersecurity posture. Committed to technical excellence and continuous learning in fast-paced environments.

### WORK EXPERIENCE

#### Junior Network Administrator (Intern) | HB Technologies - Algiers, Algeria

Oct. 2024 - Apr.2025

- **Implemented** a Wazuh SIEM on a virtualized Ubuntu server to monitor real-time network threats.
- **Deployed** site-to-site IPSec VPNs and security policies on Fortinet firewalls to secure remote access.
- **Optimized** network performance and security by configuring and segmenting VLANs.
- **Administered** Windows Server 2016 environments, managing Active Directory, DNS, and DHCP services.
- **Designed** comprehensive network architecture diagrams using Draw.io for infrastructure auditing.

#### IT Technician | Matériaux CT - Tizi Ouzou, Algeria

Sept. 2018 - Dec. 2022

- **Maintained** and repaired a fleet of desktops, laptops, and office equipment, ensuring 99% uptime.
- **Resolved** hardware and software issues for end-users via remote access tools and on-site support.
- **Managed** user permissions and access control for over 10 users using Active Directory 2019.
- **Executed** preventive maintenance and system patches to protect against vulnerabilities.
- **Monitored** LAN/WAN connectivity to ensure stable communications across the organization.

### RELEVANT SKILLS

- **Networking:** LAN/WAN/MAN, VLAN Segmentation, NAT/PAT, TCP/IP, Cisco Packet Tracer.
- **Security:** Fortinet Firewalls, IPSec VPN, Wazuh SIEM, Nmap, Wireshark, Incident Response.
- **Systems:** Windows Server (2016/2019), Active Directory, DNS, DHCP, Linux (Ubuntu), VirtualBox.
- **Support:** Hardware Diagnostics, Software Troubleshooting, Patch Management, Technical Support.

## EDUCATION

**Advanced Technician in IT and Networks** | Oct. 2022 - June 2025

*Associate Degree Equivalent*

**National Institute Specialized in Vocational Training (INSFP)** | Draa Ben Khedda Tizi Ouzou, Algeria

- **Final Project:** Implemented a **SIEM** (Security Information and Event Management) system for real-time network security monitoring.
- **Tool: Wazuh** (Open-source security monitoring).
- **Key Tasks:** Configured threat detection rules, automated alerts, and real-time log analysis.

## CERTIFICATIONS & LANGUAGES

- **Certifications :** CS402: Computer Communications & Networks | CS406: Information Security (Saylor.org)
- **Languages:** **French** (Fluent), **English** (Intermediate), **Arabic** (Fluent), **Kabyle** (Native).
